

Water Reagent Product Guide

CONSULTING RENTAL SALES MANAGEMENT

Product	Type	Packing	Packaging	Comments	Typical Water Clarification Applications										
					Sediment Retention Basins	Sed. Basin Saline or acidic	Sed. Basin Enviro Sensitive	Irrigation Dams	Drinking Water	Phos -phate Removal	Algae Control	Sewage & Biological Wastewater	Water Discoloured by Natural Tannins	Sludges and Drilling Fluids	
Floc Bloc AN1	anionic flocculant (PAM)	3kg block	carton of 6x3 kg blocks	Rapid solids settling, no affect on pH, low aquatic toxicity	√		√	√							
Floc Bloc AN2	anionic flocculant (PAM)	3kg Block	carton of 6x3 kg blocks	Rapid solids settling, no affect on pH, low aquatic toxicity	√	√	√	√							
Floc Powder Grade A10 & A30	anionic flocculant (PAM)	Solid Grade	14 kg drum	Rapid solids settling, no affect on pH, low aquatic toxicity	√	√	√	√	√						
Floc Bloc CT1	cationic flocculant (PAM)	3kg Block	carton of 6x3 kg blocks	Rapid solids settling, no affect on pH							√	√	√		
HYBIND	inorganic coagulant	Powder	10kg	Rapid solids settling, no affect on pH	√	√	√	√	√						
HYFLOCC	anionic flocculant (PAM)	Powder	25kg	Rapid solids settling, no affect on pH, low aquatic toxicity	√	√	√	√	√						
Clarity Aid C	inorganic coagulant	Solid Grade	25 kg bag	Minimal affect on water pH, low aquatic toxicity	√	√	√	√		√	√	√			
Clarity Aid CS	inorganic coagulant	Solid Grade	15 kg bag	High spec., finely ground for rapid dissolution low toxicity	√	√	√								
Clarity Aid CL	inorganic coagulant	Liquid	Liquid grade, 5L, 20L, 200L 1,000L IBC	Minimal affect on water pH, low aquatic toxicity	√	√	√	√		√	√	√			
Clarity Aid PD (polyDADMAC)	cationic polymer coagulant	Liquid	Liquid grade, 5L, 20L, 200L	Low dose rates, Use only in closed loop water systems				√	√			√			
Clarity Aid PA	inorganic coagulant	Liquid	Liquid grade, 5L, 20L, 200L	Can affect water pH. pH correction maybe required		√			√	√	√	√	√		
Hybind FE	inorganic coagulant	Liquid	Liquid grade, 5L, 20L, 200L	Will lower water pH. pH correction can be used to lower PH	√	√	√	√			√	√			
MF003 Solidification	Super Adsorbent	Powder	25kg	Rapid Sludge Solidification, no affect on pH, low aquatic toxicity	√	√	√	√		√	√	√			√
